

## Career and Technical Education Program Information

Each year, The Academies offer career and technical education programs at the School. These programs are designed to prepare our students for future employment and post-secondary experiences. All programs meet or exceed Ohio Department of Education requirements, where applicable. The following is a list of programs being offered this year and criteria for admission.

Career Based Intervention: Completed Enrollment Packet for the 7<sup>th</sup> or 8<sup>th</sup> Grade.

All career and technical education programs follow the district's policies of non-discrimination on the basis of race, color, religion, national origin or ancestry, sex, age and disability. In addition, arrangements can be made to ensure that the lack of English language proficiency is not a barrier to admission or participation. For general information about these programs, contact:
